

MENTORING + BARBERING + YOUTH PODCAST

Therapy to the Mind, Outreach for the Soul

programming and information

Vision

The Twinz bring therapeutic conversations to their clients and communities. As mentors & barbers, they developed "Conversation Therapy" to connect to people.

And now, they are bringing their unique mentoring program to high school males with a 4-week program.

Mission

01

Helping to connect Black male youth to community resources.

02

Develop relationships with area schools and youth programs.

03

Bring barbering services to local schools and youth programs.

04

Helping to introduce youth to entrepreneurs, self-employment careers and careers in creative space industries

week one

Real Talk

Mentors, and mentees get to know each through group activities. Mentors talk about their experiences growing up and how it has shaped them as professionals.

week two

Goal Setting

Mentors talk to mentees about their communities and their responsibilities as young men. Activity, Mentees develop a five-year life plan for themselves and their communities.

week three

Life Lessons

Mentees learn about what it takes to be a successful business person and simple strategies for succeeding in life, despite circumstances.

week four

Real Talk With The Youth: Conversation therapy for youth and families

This program section allows students to voice their options and concerns in a podcast format with other youth. Mentees will participate in a 20-minute podcast. Students will also learn technical podcast skills that will introduce them to careers in creative space industries.

Cuttin up

Mentees celebrate the completion of the program with hair cuts.

Our Team
